Overview: The game was released in 2006 for PlayStation 3, Xbox 360 and PC and Nintendo Wii as the first in the series. The plot is set in the present day Italy as in 1936, where the family of Don Corleone, the head of the Corleone crime family, is in conflict with Vito Corleone, the head of the rival family and the son of Don Corleone's brother. What ensues is a war within the Corleone family which ultimately results in Don Corleone being assassinated and his son Sonny being forced to flee. It is this destruction of the Corleones which opens up the opportunity for Vito to rise to the top and form his own family. The game offers players the opportunity to explore a large city, which is divided into eight areas,

control over nearly every aspect of the game and there is a large number of side missions that can be undertaken. The storyline of the game is set in the mid-1940s and centers on the destruction of the Corleone family by the bosses of the rival family. In the game, the player takes control of Vito Corleone and his younger brother Sonny. The game is set in present-day, following the death of Don Corleone. In the time of the game, Vito is 33 years old, a widower with two sons, Marlon and Michael. Vito is extremely powerful in the crime world and needs to move to the next level. He needs to re-establish his family and do so in a way which will not upset him either financially, or morally. Vito must
